- 14) Appreciate the beauty and the ambience of your school.

Be positive in your thoughts and deeds, develop scientific attitude. Fill yourself with zeal and ceaseless enthusiasm and pass it on.

"A place for everything and everything in its place"

SCHOOL MOTTO

“Enlightenment Through Education”

The school motto is “Enlightenment Through Education”. A motto is the resolve of an institution that the institution is committed to achieve. We realize that every child is a bundle of potentialities and would provide the platform where the child discovers the uniqueness and develops it to the zenith, where countless roots take place. Our motto is a constant reminder towards the pursuit of the S.J.G.I.P.S.’ goal that the students acquire all possibilities of human beings to make themselves the worthy and powerful members of the society to eradicate all evils from the society

VISION

Shri Jagadguru Gurusiddheshwar International Public School shall be a community -nurturing academic excellence for all students, demonstrating leadership and character development. The vision statement is intended to enlighten to pupils through all round education.

Children of today have tremendous potential, which has to be channelized in the right direction by the joint effort of parents and teachers. Teaching the play way method of learning is misunderstood that the children should be left free to fend for themselves. Unless there is discipline, guidance and support and if a mixed blend of this is given to the children, only then can we expect children to perform to their utmost with creativity.

Education does not confine only to books. Every aspect of development in a child's life is an important phase. Hence, great importance is attached to instill self-reliance and confidence

Just building needs strong foundation, a child needs the strong pillars of education ,which he gains from the school, from home and the environment. All these play a vital role in shaping the future of a child.

MISSION

Shri Jagadguru Gurusiddheshwar International Public school recognize that teaching of human values and life skills is central life of the school. Together with parents, who are the first educators, we aim to create an environment where children can develop physically, intellectually, emotionally, socially and morally. We hope to lead our children towards understanding, tolerance, justice and sensitivity to the need of others.

Shri Jagadguru Gurusiddheshwar Vidyavardhak & Sanskrit Samsthe

Jagadguru Gurusiddheshwar International Public School is an English Medium School seeking affiliation to the Central Board of Secondary Education (C.B.S.E.), New Delhi. It is the dream child of S.J.G.V.V.S.S. Guledgudd. The school believes in providing international quality education at affordable costs. Helping students succeed in school and become well prepared for the future is the primary goal of all within school system.

Shri Jagadguru Gurusiddheshwar International Public School takes pride in mentioning that it is the pioneering school in Guledgudd to implement the pilot project of C.B.S.E.-I curriculum. The school is very soon going to introduce digital smart boards in every class room to promote effective teaching and learning. The class room is facilitated with best furniture and so on thereby creating a conducive ambience for the best education.

Class room teaching and learning involves interaction among teachers, pupils and curriculum. It is universally accepted that any attempt at improvement in the quality of education is ultimately dependent on the quality of instruction imparted in the class room. Hence the teachers are given enough exposure to implement new technologies into educational setting.

"Healthy Environment, Healthy Children" being slogan of the school is fulfilled through the various innovative teaching methodology adopted by the staff. By this curriculum the school passes the message of providing strong ,much more confident and zestful intellectuals to the future hitech society.

Our school aims to consider the uniqueness and individual needs of its pupils by delivering a broad, balance differential and relevant curriculum. Each child is considered as a whole person developing skills, concepts and attitudes necessary for the opportunities and experience of the future. We aim to prepare children to reach their full potential as responsible citizen.

Our school aspires to value everyone associated with it, irrespective of age, position, race, gender, background or ability. We endeavour to motivate , support and inspire personal, spiritual, emotional and educational growth in a safe and secure environment vision.

We aim to unite , parents, pupils, staff, and the local community, through agreed school policies and frame work, which aim to deliver a high quality educational service.

The school organizes many activities throughout the year, where qualities such as leadership and selfdiscipline are inculcate and there is an emphasis on the individual, intellectual and emotional growth.
